We provide information and support on ectopic pregnancy: ectopic.org.uk

Fifth Proof
03.07.17

Please carefully check that all details are correct as it may be the last time you see it before you receive the printed products. We will endeavour to ensure that everything is correct, but it does remain your ultimate responsibility to check this proof carefully.

By approving this proof I ACCEPT LEGAL RESPONSIBILITY for any errors caused, which are evident on this proof and I will be liable for costs incurred in correcting such mistakes once this proof has been approved.

CMYK printing

4 colour printing:
In common with other printers, please note that due to variations in materials and production processes used in the manufacture and CMYK printing of these products, that we cannot guarantee a colour match.
